Sir,

Sub: MBA & PG Diploma Programs - Circulation of 'Application for Recognition of Project Guide' – Req.- Reg.

It is to inform you that the Dept of Business Management has introduced Four New P.G. Diploma programmes from the A.Y. 2022-23 and admissions were closed recently. All these newly admitted students and MBA students shall undergo Project Work during their final semester and this project work will be supervised by the concerned Academic Counselor/any academician/a working professional in the field. For this purpose, to ensure experiential learning by bringing quality in project work, the Department intends to recognize the Academic Counselors/any academicians/working professionals as Research Supervisors to Guide the students in their project work.

It is not out of context to mention that the Department has already recognized a few as Project Guides by circulating the "Application for Recognition of Project Guide", but these Recognized Guides are not representing all the Program Centres through which the University is offering its MBA/PG Diploma programmes in the States of Telangana and A.P. In this connection, the department has made an attempt to reach all these Study Centres through WhatsApp, but no response from a few of them.

After recognition, the list of Recognized Project Guides will be uploaded in the University Website, along with the Project Work Guidelines of various programs and the students should choose a Project Guide from the list, with an exception to industry professionals. However, in order to improve the quality of Project Report, preference will be given to the recognized Project Supervisors only. Further, the Department is planning to organize one-day online/offline FDP on "Research Methodology & PR Guidelines" to all recognized supervisors in July/August, 2023.

Hence, it is requested to use your good office and take necessary action in this regard to circulate the 'Application for Recognition of Project Guide' (attached to this letter) among the Academic Counselors through PG Study Centre Coordinators.

Thanking you,

Yours sincerely,
